

Fundraising Tips

Tip #1: Start early. As soon as you register, set up a fundraising page.

Tip #3: Kickstart your fundraising by donating to your own campaign.

Tip #5: Ask at the office. See if your company offers matching donations.

Tip #7: Ask neighbors and members of clubs or organizations to which you belong.

Tip #9: Send a personalized thank you to each of your donors. You might need their support again next year!

Tip #2: Set a challenging but attainable goal.

Tip #4: Email your contacts and ask them to help. Make sure you tell them why it is important to you.

Tip #6: Call family members and a few close friends and ask them to donate.

Tip #8: Post your progress on your Facebook page and provide a direct link to your fundraising site. Or, use Twitter to support your campaign.
